

Fall Before and After School Care

The first day of the school year is quickly approaching! Tumble Time Education Center offers care for your Kindergartener and school age children. We have before and after school care with transportation to and from local schools including: Spalding, Pioneer, Ustick, and Pepper Ridge.

During your child's time at Tumble Time we offer a healthy after school snack, Homework Club, crafts and more. If you would like to schedule additional gymnastics classes, as a member of our Learning Center you receive 50% off of gymnastics classes!! There are camps scheduled throughout the year for non school days and school breaks. During camps we participate in daily field trips and active fun!

We are very excited about working with you and your children; this is going to be a great year! Please bring in the completed attached forms with a current copy of your immunization records to the front desk. We have limited space and are currently creating our bus routes so turn in your forms early to ensure your first choice of days and times.
